

Browser window showing the Coppermine Photo Gallery administration interface. The address bar displays `http://sbcgallery.dlonskeyphoto.com/admin.php`. The page title is "Gallery Configuration - Sup...". The interface includes a menu bar (File, Edit, View, Favorites, Tools, Help) and a toolbar with a search bar (Norton Safe Search), a status bar (THIS PAGE IS SAFE, VAULT IS CLOSED), and a share button (SHARE VIA FACEBOOK).

The main content area displays the "Registration" settings section, which includes a table of configuration options:

Setting	Value	Help
Allow new user registrations	<input checked="" type="checkbox"/>	<a href="#">?</a>
Global password for registration	coach36	<a href="#">?</a>
Display disclaimer on user registration	<input type="radio"/> No <input type="radio"/> Yes: on a separate page <input checked="" type="radio"/> Yes: inline	<a href="#">?</a>
Display Captcha (Visual Confirmation) on registration page	<input checked="" type="checkbox"/>	<a href="#">?</a>
User registration requires email verification	<input checked="" type="checkbox"/>	<a href="#">?</a>

Admin activation of registrations	<input checked="" type="checkbox"/>	<a href="#">?</a>
Create user album in personal gallery on registration	<input type="checkbox"/> (not recommended)	<a href="#">?</a>

Below the table, there are links to other settings sections: Contact form settings, Thumbnails settings, File settings, Image watermarking, User settings, Custom fields for user profile (leave blank if unused). Use Profile 6 for long entries, such as biographies, Custom fields for image description (leave blank if unused), Cookies settings, Email settings (usually nothing has to be changed here; leave all fields blank when not sure), Logging and statistics, and Maintenance settings.

At the bottom of the settings section, there are buttons for "Expand All" and "Toggle All", and a "Save new configuration" button.
